DETAILED ACTION

Response to Remarks

- 1. Applicant has amended claims 2,6,16,17 and 23 to depend from allowed claims.

 The applicant has agreed to an examiner's amendment to place the remainder claims in allowable form.
- 2. Claims 1,3-5,7-9,13,18-21, and 26 are cancelled.

Drawings

3. The drawings are objected to because of line quality, Figures 1 and 2. Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the

Authorization for this examiner's amendment was given in a telephone interview with William Hanlon, Jr. (Reg. No. 28422) on 2/14/2006.
